1. Introduction

The Nokia Display Headset HS-6 allows you to handle basic phone calls, listen to FM radio and music tracks, as well as view the current time and notifications of received text messages (SMS) and multimedia messages (MMS). Some features of the headset are network-dependent.

The headset connects to compatible Nokia phones with a Pop-Port™ connector. To check the compatibility of your Nokia phone, contact your dealer or Nokia Customer Care.

Read this user guide carefully before using the headset. Do not use this user guide in place of the user guide for your phone.
